

POP-UP BLOCKER and POP-UP BLOCKER SETTINGS

1. Prior to accessing the online application, go to "**Tools**" on the browser toolbar. Select "**Pop-up Blocker**" from the drop down list. If the pop-up blockers are turned off, turn them on by selecting "**Turn on Pop-up Blockers**". Turning the pop-up blockers **on** will enable you to access the "**Pop-up Blocker Settings**". If the pop-up blockers are already on, proceed to step 2 below.

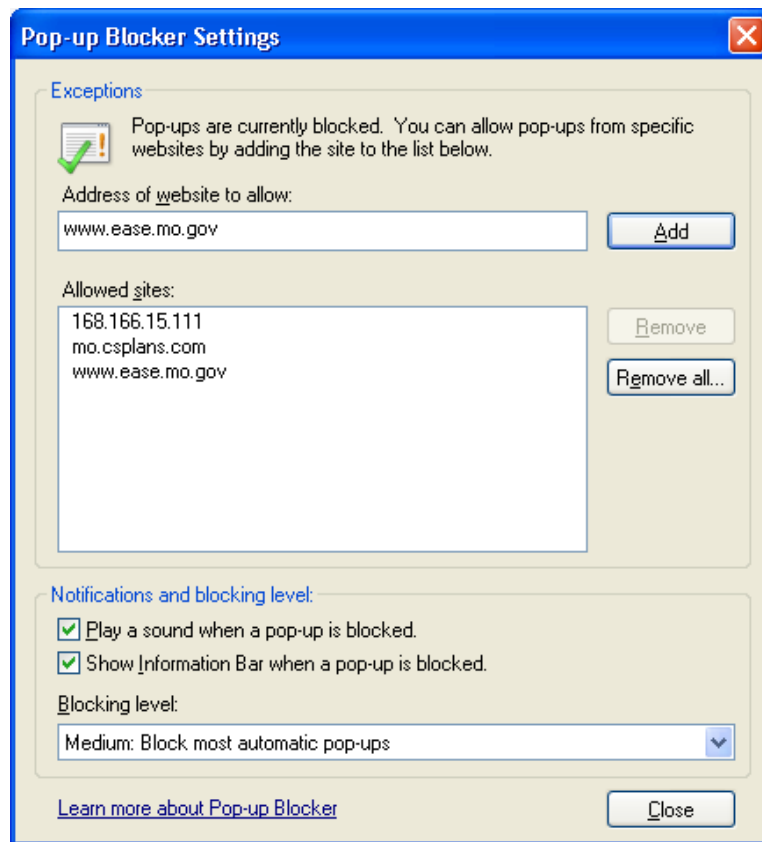

2. Go to "**Tools**" again. Select "**Pop-up Blocker**" from the drop down list and then "**Pop-up Blocker Settings**" as shown below.

POP-UP BLOCKER and POP-UP BLOCKER SETTINGS (cont'd.)

- Once in the "**Pop-up Blocker Settings**" window, type "www.ease.mo.gov" in the "**Address of Web site to allow:**" field as shown below. Then click the "**Add**" button. The address will appear in the "**Allowed sites:**" field. "**Close**" out of the "**Pop-up Blocker Settings**" window.

- Go to "**Tools**" on the browser toolbar again. Select "**Pop-up Blocker**" from the drop down list and then "**Turn off Pop-up Blockers**".
